Dust Control Burnisher

NU2000DCB

Technical Specifications

NU2000DCB

Working Width	20"
Dimensions (LxHxW)	29"x22"x49"
Weight	95 lbs
RPM	2000 RPM
Electric System	110 Volt
Motor	1.5 HP DC
Dust Control	Yes, Centrifugal
Drive	Direct
Power Cord	75, 14-3
Deck Material	High Impact ABS
Switch Box Material	Glass Filled Nylon
Handle Material	Plated Steel
Warranty	12 - 3 Year
Includes	Flexible Pad Driver Amp Guage

BUILT
NuSource
TOUGH!

Built in Amp Meter

An amp meter is built into the switch box assembly that monitors total amp draw through the machine. Should amp draw need to be reduced, a knob located at the rear of the machine adjusts spring tension, this reduces amp draw eliminating blown breakers and burned floor finish.

Effective Dust Control

The passive dust control system in the NuSource dust control burnisher is designed to pick up light dust, fractured floor finish and pad fibers. A floor hugging nylon bristle skirt stops any air or debris from escaping around the head assembly and aids in pick up performance.

- Easy access to dust filter bag
- Easy pad pressure adjustment for different pad/finish combinations
- Adjustable handle height with safety lockout
- 2000 RPM
- Float or lock the handle
- A unique system lifts pad off the floor when the machine stops
- Flexible pad driver is extremely effective on uneven floors

NuSource US Machine Warranty

12 Year Warranty:

NuSource guarantees the performance of all rotationally-molded polyethylene parts and the glass filled nylon switch box and levers to be free from defect in materials and workmanship, under normal use and service for twelve (12) years to the original purchaser. Labor to replace these parts will also be covered for twelve (12) years.

3 Year Warranty:

NuSource Corporation guarantees the performance of all other parts to be free from defect in material and workmanship, under normal use and service for three (3) years to the original purchaser. Labor to replace these parts will also be covered for three (3) years.

1 Year Warranty:

A one (1) year warranty against manufacturing defects and workmanship is extended to the original purchaser on the Piccolo dry canister vacuum, back pack vacuum, all upright vacuums, battery chargers, blowers and all accessories. Batteries are pro-rated by the manufacturer for one (1) year.

Propane Warranty:

Honda engines are warranted by Honda and Kawasaki engines are warranted by Kawasaki for a period of two (2) years against manufacturers defect. NuSource Corporation warrants all other components for two (2) years.

Product Exceptions:

Wear items such as vacuum bags, belts, filters, squeegee blades, transport wheels, power cords, pad drivers, clutch plates, handle grips, screens, carbon brushes and cables are not normally a consideration under our warranty policy.
