Rear Wheel Drive

The rear wheel drive system on the Tripla riding scrubber utilizes a maintenance free transaxle drive motor which provides power to each rear wheel. Anti-skid wheels and rear wheel drive make the Tripla very effective for scrubbing handicap ramps and inclines.

Interchangeable Scrub Deck

There are 3 different scrub deck options that are simple to change and requires no tools. True interchangeability of scrub decks is possible through a quick disconnect water supply and two thumb screws. The Tripla 26 will scrub through a standard doorway with the squeegee attached.

- A comfortable compact riding scrubber with a 83" turning radius
- Clam shell body design
- Front wheel steering
- Speed is electronically reduced when the steering wheel is turned for an added safety feature
- Flashing yellow safety light
- Key switch, backup beeper, seat safety switch & parking brake
- 36 volt battery system, available with optional maintenance free batteries

NuSource US Machine Warranty

12 Year Warranty:

NuSource guarantees the performance of all rotationally-molded polyethylene parts and the glass filled nylon switch box and levers to be free from defect in materials and workmanship, under normal use and service for twelve (12) years to the original purchaser. Labor to replace these parts will also be covered for twelve (12) years.

3 Year Warranty:

NuSource Corporation guarantees the performance of all other parts to be free from defect in material and workmanship, under normal use and service for three (3) years to the original purchaser. Labor to replace these parts will also be covered for three (3) years.

1 Year Warranty:

A one (1) year warranty against manufacturing defects and workmanship is extended to the original purchaser on the Piccolo dry canister vacuum, back pack vacuum, all upright vacuums, battery chargers, blowers and all accessories. Batteries are pro-rated by the manufacturer for one (1) year.

Propane Warranty:

Honda engines are warranted by Honda and Kawasaki engines are warranted by Kawasaki for a period of two (2) years against manufacturers defect. NuSource Corporation warrants all other components for two (2) years.

Product Exceptions:

Wear items such as vacuum bags, belts, filters, squeegee blades, transport wheels, power cords, pad drivers, clutch plates, handle grips, screens, carbon brushes and cables are not normally a consideration under our warranty policy.
